Honorable Officials:

The Mayor and City Council of the City of Westwego will meet to receive the following presentation only at 12:00 p.m., Monday, May 16th, 2022, in the Council Room at City Hall, 1100 Fourth Street, Westwego, Louisiana.

(LHV) UNO & LSU Students participated in a class study about The City of Westwego.

The class focused on several currently established projects as well as upcoming projects throughout the city.

The Course description for the class was to understand the Practicum in Urban and Regional Planning. This course provided advanced graduate students in the UNO-PLUS Master of Urban and Regional Planning program a practicum-based forum to apply their technical and analytical skills developed through their planning coursework.

Students worked under the supervision of the course instructor to advance a community development project in collaboration with a community-based client.

The students are now at the end of the semester, and they will be presenting a professional presentation and report to the city of Westwego.

As per UNO & LSU request the presentation will held on MONDAY May 16th at City Hall from 12:00pm – 2:00pm for the convenience of the students. We would love to have you join us to hear this presentation.

Sincerely yours,

Lisa Tapia
City Clerk
